

## Backing flange PP with steel core

PPST-2021-08-03-e

### Model:

- PP-GF30 black (30% glas-fibre reinforced) with steel core
- UV-resistant. Applicable for outside applications
- Connecting-dimensions: ISO 7005, EN 1092, DIN 2501
- Bolt circle PN 10

### Suitable for socket and butt fusion systems metric (no pictograph on flange)
